**PETITION TO REVIVE ABANDONED APPLICATION PURSUANT TO F.R.C.P. §1.181**

This Petition is respectfully submitted to revive an allegedly abandoned application above identified.

On January 28, 2004, the PTO issued a "Notice of Abandonment", stating that the application was abandoned in view of "Applicant's failure to timely file a proper reply to the Office letter mailed on 09 January 2003."

This Notice of Abandonment was obviously sent out in error for the following reasons:

On January 9, 2003, the examiner, Hauh Nguyen, issued an Office Action in which certain claims were allowed and other claims rejected solely on the grounds that they were dependent upon rejected base claims, but would be allowable if rewritten in independent form.

Applicant, well within the statutory period for response, filed an Amendment, included a transmittal form, a fee transmittal form, a check for \$135.00, because of the addition of independent claims, and sent the material to the Patent Office on February 20, 2003. Copies of all the above material, including the United States Post Office Express Mail receipt is enclosed, as well as a postcard acknowledgment dated February 20, 2003 from the United States Patent and Trademark Office.

Applicant's check number 24257 for \$135.00 has also been paid to the Patent Office and a copy of both

the front and reverse side of the check is also enclosed, indicating the cashing of the check by the Commissioner of Patents.

From this material, it is clear that Applicant timely responded to the Office letter of January 9, 2003 and that the Patent Office not only received the documents, but acknowledged such receipt by both the postcard and the fact that the check was cashed and cleared.

It is accordingly requested that this application be reinstated and that a further action on the merits of the case be sent out.

If, for any reason, this Petition to withdraw the holding of abandonment is denied, it is requested that this same Petition be considered a Petition to Revive under 37 C.F.R. §1.137(a) or (b) and any charges or fees in connection with the same may be charged to Applicant's account in the United States Patent Office, No. 26-0265.

As stated above, copies of all the relevant documents referred to above, including the Amendment which was submitted by Applicant's counsel on February 20, 2003 are enclosed.

Dated: February 13, 2004

Respectfully submitted,

Harris Zimmerman
